Fidelity Residential Property Services Division (FRPSD) is pleased to announce our 2018 Relocation Appraiser Awards.

Each year FRPSD reviews the performance of our appraiser network by analyzing volume, turn time and variance, as well as the working relationship with the FRPSD team. We truly value the performance of all the appraisers who assist us and our relocation customers throughout the year, but we want to make special note of the following award recipients.

This year we are pleased to announce winners both by region and our first time National Relocation Appraiser of the Year.

Our regional awards go to the following appraisers:

Southeast Region – John Warren, RAC
Mid-West Region – James Gargano, Jr. IFAS, SCRCP, RAC
West Region – Marie Robbins-Marine, SRA, CRP, RAC
Northeast Region – Ann Zielske
South Region – David Bain

The FRPSD National Relocation Appraiser of the Year is

Paul Piekos

The FRPSD team delights in working with Paul; each and every time he is chosen by a relocating homeowner, we know the file will go smoothly. Paul is quick to respond to our inquiries, makes his appointments in a timely manner and never requires a follow up. His reports are clean, concise, and his variance is consistently lower than the industry standard of 5%.

FRPSD would like to thank all of the award winners for their dedication to the relocation industry!
